

Search Diligently, Pray Always

Words & Music: Sally DeFord

Words of wisdom wait for me, written for my day,
Works of holy scripture like a lamp to light my way,
Teachings of the prophets that testify of Christ,
That speak of hope and endless joy and everlasting life.

Chorus:

So I will search diligently, pray always,
Believing in His word,
And all things in heaven and earth
Will work together for my good.

A loving Father waits for me to come to Him in prayer,
He will give me strength to stand through all I must endure
He offers me His spirit and love that conquers fear,
And when I seek His counsel I will find Him ever near.

Repeat Chorus

Celestial glory waits for me, a promise sure and bright,
If I will walk uprightly with the Saviour as my guide.
He will walk beside me along this mortal path,
And lead me home, an heir with Him to all the Father hath,

So I will search and pray always,
Believing in His word,
And all things in heaven and earth
Will work together for my good.
